2010 PLAYER'S FEE APPLICATION

The KPGA Tournament Committee has been authorized by the Board of Directors to assess a \$25.00 charge added to the posted entry fee to play in each tournament sanctioned and conducted by the Kentucky Section PGA if the entrant has not paid a Player's Fee for the current year.

If you are intending to participate in more than four (4) tournaments during the 2010 season, it is more economical to pay the \$100.00 Player's Fee rather than the \$25.00 per event.
