

Kentucky Pro-Am
Valhalla Golf Club | August 1, 2016

Dear Kentucky Golfer,

We got involved in golf because someone took the time to help teach us the game. As golfers, we give back because it is a tradition of the game; it is what makes the game so unique.

The Kentucky Golf Foundation, the charitable foundation of the Kentucky PGA and Kentucky Golf Association is hosting the PGA REACH Kentucky Pro-Am presented by ISCO Industries.

We invite you to help us give back by becoming a Team Captain at this unique tournament. As Captain, you are asked to recruit a team that consists of four amateurs and a professional who will join you for a truly unique experience. Collectively, each amateur will pay an all-inclusive \$750 entry with proceeds to be used for KENTUCKY PGA REACH activities to positively impact Kentucky youth, military and those of diversity.

We know you have many options for charity golf tournaments and trust you find our cause laudable, as well as personal. Please join us on August 1 at Valhalla Golf Club for a truly unique experience. We hope we have a lot of golf left in our lives, but we want to ensure those playing behind us will always be on the course with us.

Thank you for giving back to the game you love and helping make a difference!

Sincerely,

Steve McMillen

CEO, Kentucky's Family of Golf Organizations

PGA REACH Kentucky Pro-Am | Presented by ISCO Industries

Valhalla Golf Club | Monday, August 1, 2016

Through the framework of the greatest game ever played the Kentucky Golf Foundations seeks to impact Kentucky's youth, military and those of diversity. Our KENTUCKY PGA REACH initiatives help support not only community groups themselves but teach out participants that through golf they can help to strengthen their communities.

Our Focus

The programing created and supported by our KENTUCKY PGA REACH initiatives focuses on serving three key pillars.

Youth

Through our Youth Pillar, we seek to improve and advance opportunities for youth. By exposing kids early to the game of golf, we help plant a love of the game that has proven to provide great opportunities in the areas of education, health and wellness and character building centered on the sport of golf.

Military

Through our Military Pillar, we seek to improve the physical, mental, and social rehabilitation of our military heroes and their families through the game of golf. The lifetime game of golf has proven not only to be a recreation, but rehabilitation tool and allows our military to assimilate back into their community through the social interaction the game provides.

Diversity

Through our Diversity Pillar, we strive to create a culture to make golf make inclusive of people from all cultural and ethnic backgrounds and for individuals with disabilities. It is our quest to look through a lens of diversity and inclusion at all times and collaborate with those who champion diversity and inclusion.
